Analysis of the President's Address to Parliament in 2016

The President of India, Mr. Pranab Mukherjee, addressed Parliament on February 23, 2016. In his address, he outlined the major policy priorities of the government across different sectors. The table below highlights some items outlined in the 2016 President’s address and the current status of the initiatives undertaken with respect to these items. This note has been made as per data available on January 30, 2017. The data sources have been indicated in the end notes.

<table>
<thead>
<tr>
<th>Policy Priority</th>
<th>Current Status</th>

<tbody>
<tr>
<td><strong>Economy and Finance</strong></td>
<td></td>
</tr>
<tr>
<td>Gross Domestic Product (GDP) growth increased</td>
<td>• <strong>GDP:</strong> The GDP is estimated to grow at 7.1 % in the year 2016-17. It grew at 7.1% in the first quarter (April-June) and 7.3% in the second quarter (July-September) of 2016-17. The GDP growth rate was 7.6% in the year 2015-16.</td>
</tr>
<tr>
<td>Inflation, fiscal deficit and current account deficit decreased</td>
<td>• <strong>Inflation:</strong> The average Consumer Price Index (CPI) in December 2016 was 3.4 %. CPI was 5.6% in December 2015. Food inflation was 1.4% in December 2016 as compared to 6.4% in December 2015. Inflation target of 4% was notified by RBI for the period 2016-2021. It also set an upper limit of 6% and lower limit of 2% for the Consumer Price Index (CPI) inflation. <strong>Fiscal Deficit:</strong> It is targeted at 3.5% of GDP in 2016-17 (compared to 3.9% in 2015-16). As of November 2016, the government had reached 85.8% of its fiscal deficit target, compared to 87% in November 2015.</td>
</tr>
<tr>
<td>Foreign exchange reserves recorded high in 2015</td>
<td>• <strong>Current Account Deficit:</strong> It decreased from USD 14.7 billion in 2015-16 (April-September) to USD 3.7 billion in the corresponding period in 2016-17. <strong>Foreign Exchange Reserves:</strong> As on January 20, 2017, foreign exchange reserves stood at Rs 24,54,950 crore, as compared to Rs 23,52,820 crore in January 29, 2016.</td>
</tr>
<tr>
<td>To revitalise public sector banks, Indradhanush programme has been launched</td>
<td>• The total amount of Non-Performing Assets (NPAs) of Scheduled Commercial Banks (SCBs) increased to 9.1% in September 2016 from 7.8% in March 2016. Under the Indradhanush scheme which intends to recapitalise Public Sector Banks (PSBs), Rs 70,000 crore is proposed to be allocated between 2015-16 and 2018-19. Out of this amount, Rs 25,000 crore was transferred to 19 PSBs in 2015-16. A budgetary provision of Rs 25,000 crore has been made for 2016-17, of which Rs 22,915 crore has been allocated to 13 PSBs, as of July 2016.</td>

| **Efforts to tackle black money** | • The Taxation Laws (Second Amendment) Bill, 2016 was passed by Parliament and received the President's assent in December, 2016. The Bill proposes to introduce the Pradhan Mantri Garib Kalyan Yojana, 2016. Under the scheme, taxpayers may declare undisclosed income possessed in the form of cash deposited in banks, post offices or RBI before a notified date. (For more details on the Bill, see here)  
• On November 8, 2016, existing currency notes of Rs 500 and Rs 1,000 were demonetised to address storage of unaccounted wealth and circulation of counterfeit currency. No official estimation of black money is available.  
• Specified Bank Notes Cessation of Liabilities Ordinance, 2016 was issued in December, 2016. It provides that specified bank notes (old Rs 500 and Rs 1,000) will cease to be liabilities of the Reserve Bank of India from December 31, 2016 onwards. (For more details on the Ordinance, see here) |
| **To put in place a simplified, progressive and non-adversarial tax regime** | • The Constitution (101st Amendment) Act, 2016 was enacted in September, 2016 to allow for the levy of a Goods and Services Tax (GST). (For more details on the Act, see here)  
• Model Central and State Goods and Services Tax Bills, 2016 were introduced in November 2016. The Model Central/State GST Bills provide for the levy of: (i) the Central Goods and Services Tax (CGST), (ii) State Goods and Services Tax (SGST), (iii) levy of integrated Goods and Services Tax and (iv) compensation to states. (For more details on CGST, SGST and IGST, see here.) |
| **To ensure productive utilization of idle assets, Gold Monetization scheme and Sovereign Gold Bond scheme have been launched** | • Deposit certificates and interest income on deposit certificates issued under Gold Monetization scheme were exempt from capital gains tax and income-tax from April 1, 2016.  
• As of November 2016, 5,730 kgs of gold was mobilised under Gold Monetization scheme while 14,071 kgs of gold was subscribed.  
• Pradhan Mantri Jan Dhan Yojana has gone beyond opening of bank accounts, by offering basic financial services and security to the poor  
• As of January 2017, around 27 crore accounts have been opened under the scheme. Out of these, 61% of the accounts are in rural areas.  
• Presently, 25% of the total accounts are zero balance accounts. |
| **Three new insurance and pension schemes launched to universalise social security:** | • Ten crore people were enrolled under the Pradhan Mantri Suraksha Bima Yojana. During the year, 10,084 claims had been registered of which 7,282 were disbursed as of December, 2016.  
• Three crore people were enrolled under the Pradhan Mantri Jeevan Jyoti Bima Yojana. During the year, 51,745 claims had been registered of which 48,023 were disbursed as of |
| (i) Pradhan Mantri Suraksha Bima Yojana: Accident insurance scheme which aims to provide risk coverage of 2 lakh in people in the age group 18 to 70 years;  
(ii) Pradhan Mantri Jeevan Jyoti Bima Yojana: to provide risk coverage of Rs 2 lakh in case of death due to any reason, for people in the age group of 18 to 50 years;  
(iii) Atal Pension Yojana, a pension scheme, open to all bank account holders in the age |

**Pradhan Mantri Gram Sadak Yojana** to connect one lakh seventy eight thousand rural habitations with all-weather roads by March 2019

Approximately, 68% of the targeted road length has been constructed and 44% of the targeted habitations were connected in the year 2016-17.\(^7\)

Second and third stages of smart cities programme are on the anvil

In September 2016, 27 new smart cities were announced.\(^7\) Previously, 33 cities were selected under the programme. (For more details, [see here](#))

Budgetary support of Rs 48,000 crore is proposed under the scheme over five years (2015-2020). During the years 2015-16 and 2016-17, Rs 4,572 crore was released to 98 cities.\(^8\)

To develop 300 rural growth clusters across the country, *Shyama Prasad Mukherji Rurban Mission* has also been launched

The scheme aims to develop rural clusters to promote entrepreneurship and economic activities. Under the first phase, 100 clusters have been allocated to the states.\(^8\)

Rs 5,142 crore has been allocated for the period from 2015-16 to 2019-20 while Rs 32 crore has been released for the preparation of Integrated Clusters Action Plan.\(^9\)

### Transport

**New Civil Aviation Policy with thrust on connectivity to small cities**

In June 2016, National Civil Aviation Policy, 2016 was released.\(^1\) As per the policy, Regional Connectivity Scheme (RCS) was released in October 2016. The scheme aims to improve regional connectivity while making it affordable. Major reforms include: (i) modification of 5/20 rule and (ii) cap of Rs 3,500 per RCS seat. (For more details, [see here](#))

Domestic Air Passenger traffic has increased by 23% between January and November 2016 as compared to the same period during 2015.\(^9\)

- The Union Cabinet approved the Indian Institute of Management (IIM) Bill, 2017 in January 2017. The Bill seeks to declare IIMs as institutes of national importance enabling them to grant degrees to students.

- The Institutes of Technology (Amendment) Bill, 2016 was passed in the Parliament in August, 2016. The Bill adds six new IITs and declares Institutes of Technology as institutions of national importance. (for more details on the Bill, see here)

- The National Institutes of Technology (Amendment) Bill, 2016 was passed the Parliament in August 2016. The Bill seeks to establish the National Institute of Technology (NIT), Andhra Pradesh as an institute of national importance. (for more details on the Bill, see here)

- The draft Indian Institutes of Information Technology (IIIT) (Public-Private Partnership) Bill, 2016 was released in November, 2016.

IMPRINT India was launched to give impetus to research in scientific fields ranging from defence to sustainable living

- 259 out of 2,612 project proposals were selected under the IMPRINT India initiative in September, 2016.

- The approved project proposals seek a project cost of around Rs 595 crore over a period of three years till 2019. Out of this, 298 crore will be contributed by the participating Ministry.

National Institutional Ranking Framework (NIRF) has been launched for higher educational institutions

- Launched in September, 2015, NIRF released ‘India Rankings 2016’ in April, 2016. The ranking was available for engineering, management, pharmacy and universities. Citing inadequate participation from architecture and general degree colleges, rankings did not include these disciplines along with open universities.

- Out of 5,000 registered institutions, 3,640 completed the self-reporting exercise.

The National Scholarship Portal provides a one-stop platform for applications of all scholarships

- During 2016-17, around 90 lakh students were estimated to receive scholarship through the portal in Direct Benefit Transfer mode.

<tbody>
<tr>
<td>Around 39 lakh scholarships were disbursed through the portal in 2015-16. The remaining scholarships to around 41 lakh students will be disbursed in the year 2016-17.</td>
<td>• Nai Manzil: Launched in August 2015, it was operationalized in the year 2016-17. The scheme aims to provide skill training for school dropouts and targets one lakh beneficiaries over a period of five years.</td>
</tr>
<tr>
<td>To empower the minorities, two new schemes, Nai Manzil and USTAAD have been launched</td>
<td>• USTAAD: It aims to build capacity of traditional artisans/craftsmen. Rs 20 crore was allocated for the year 2016-17. Previously, Rs 17 crore was allocated in the year 2015-16 of which Rs 16.9 crore was utilised.</td>
</tr>
<tr>
<td>Integrated Child Development Scheme (ICDS) to be strengthened and problems of malnutrition to be addressed in a holistic manner</td>
<td>• More than 70% of Anganwadis (AWCs) are not visited by a doctor. As per National Health Survey 2013-14, 29.4% of children are underweight, 38.7% are stunted and 15.1% are wasted.</td>
</tr>
<tr>
<td>Several measures to ensure safety and security of women have been launched: Emergency Response Systems, a Central Victim Compensation Fund, Cyber Crime Prevention against Women and Children, and Organized Crime Investigative Agency and an Integrated Emergency Response Management System for women’s safety on the railways</td>
<td>• The following schemes/programs were proposed under the Nirbhaya Fund. Nirbhaya Fund was set up with a corpus of Rs 2,000 crore in 2014-15.</td>
</tr>
<tr>
<td>• Out of this Rs 2,000 crore, initiatives worth around Rs 400 crore were under implementation as of July 2016:</td>
<td>• National Emergency Response System was proposed with a project cost of Rs 321.7 crore. The project aims to provide emergency response specifically inclined towards women issues. Emergency number ‘112’ was allotted for the facility.</td>
</tr>
<tr>
<td>• One Stop Centres (OSCs) to facilitate women affected by violence were proposed to be set up with a cost of Rs 18.6 crore. 100 OSCs were to be operational by January 2017. As of December, 2016, 51 OSCs were operational.</td>
<td>• Universalisation of Women Helpline with cost of Rs 69.5 crore. Women Helplines were operational in 18 states/UTs as of December, 2016.</td>
</tr>
<tr>
<td>• Further, the following initiatives were proposed:</td>
<td>• Central Victim Compensation Fund (CVCF): Rs 200 crore was allocated for the scheme, of which Rs 190.7 crore was disbursed to the states/UTs.</td>
</tr>
</tbody>
</table>

Women and Child Development

• ICDS Systems Strengthening and Nutrition Improvement Project (ISSNIP) has been launched in 162 high malnutrition burden districts in 8 states (Andhra Pradesh, Bihar, Chhattisgarh, Jharkhand, Maharashtra, Madhya Pradesh, Rajasthan and Uttar Pradesh).

• Information and Communication Technology-enabled Real Time Monitoring of ICDS was launched.

• The following schemes/programs were proposed under the Nirbhaya Fund.

### Agriculture, Food and Water Security

**Pradhan Mantri Fasal Bima Yojana**, a crop insurance scheme providing low premium rates for farmers has been launched for farmers

- During Kharif 2016, the scheme has been implemented by 21 states. 366.6 lakh farmers have been covered under the scheme. 116
- The sum insured (SI) under the scheme would be calculated on the basis of the yield of the crop in a particular area and the applicable minimum support price. The premium payable by the states would be: (i) 2% of SI for Kharif crops, (ii) 1.5% of SI for Rabi crops, and (iii) 5% of SI for commercial/horticultural crops. 117

**Soil Health Cards to be distributed to all 14 crore farm-holdings by March, 2017**

**Paramparagat Krishi Vikas Yojana** is being implemented to promote organic farming

- **Pradhan Mantri Krishi Vikas Yojana**, Soil Health Cards, Rainfed Area Development are implemented under National Mission for Sustainable Agriculture. As of November, 2016, Rs 423 crore was released out of Rs 1,062 crore allocated for 2016-17 under the mission. 118
- Till December 2016, 4.31 crore soil health cards had been made. Out of these, 4.25 crore soil health cards were distributed while others are under process. 116
- **Paramparagat Krishi Vikas Yojana** was initiated in 2014 to promote organic farming with a target to set up 10,000 clusters in three years. As of December, 2016, 9,186 clusters have been set up by the state governments. 116

**Pradhan Mantri Krishi Sinchai Yojana** has been launched to extend the irrigation coverage and assure efficiency in water usage

- Under the scheme, Rs 12,527 crore will be used in 2016-17 for the implementation of 23 irrigation schemes. 119
- 99 major and medium irrigation projects have been identified under the scheme. The projects, with a capacity of 76.93 hectare, are expected to be completed by December 2019 in phases. 119

**National Agriculture Market (NAM)** is working towards setting up a common e-market platform to connect 585 wholesale markets across the country

- As of December 2016, 250 mandis in 10 states have been integrated with e-NAM Portal. Rs 93 crore has been released to integrate 399 mandis with e-NAM. 116
- As on December 27, 2016, 35 lakh tonnes of agriculture produce worth Rs. 7,131 crore has

### Science, Information Technology and Telecom

**Completing the constellation of the Indian navigational satellites in 2016 to cater to indigenous navigation and location-based services**

- India had launched eight ISRO satellites, four student satellites and 22 foreign satellites in seven launch vehicle missions.\(^1\)
- An independent regional navigation satellite system, Indian Regional Navigational Satellite System is completely deployed with the launch of its seventh and final satellite.\(^2\)

**Setting up world-class infrastructure for electronics manufacturing across the country.**

- Electronic Manufacturing Clusters (EMCs) scheme was launched to provide financial assistance for setting up electronic manufacturing units. As of December 2016, 13 EMCs have been approved in 10 states.\(^3\)
- Auction of 2354.75 MHz of spectrum in various ranges (700 MHz, 800 MHz, 900 MHz, 1800 MHz, 2100 MHz, 2300 MHz and 2500 MHz) was conducted in October 2016. Out of this, 964.8 MHz was sold in all ranges except 700 MHz and 900 MHz.\(^4\)

**Policies like spectrum trading and sharing have been finalized for optimum utilization of resources**

- Under BharatNet, Digital India, National Optical Fiber Network is being revamped to rapidly take broadband connectivity to villages.
- As on February 29, 2016, more than 96 thousand KMs of optical fibre have been laid.\(^5\)

**Under BharatNet, Digital India, National Optical Fiber Network is being revamped to rapidly take broadband connectivity to villages**

- Under SATYAM, proposals for conducting research in related fields were invited in 2015. 98 proposals out of 578 proposals received were selected for future scrutiny.\(^6\)
