About PRS Legislative Research

PRS Legislative Research is the first research institution of its kind in India. More than 250 Members of Parliament from across 22 political parties reach out to PRS for inputs on policy and legislation. PRS has recently begun work with MLAs of various states by providing inputs on policy and legislation on issues being debated in legislatures. These inputs are designed to help MLAs make more informed decisions while addressing key policy challenges in their states. Over the last three years, PRS has trained over 1000 journalists and civil society representatives across the country .

PRS provides a comprehensive and credible resource base to access Parliament data, background information and analysis of key issues. PRS has a team of highly trained professionals dedicated to making legislatures better informed, more transparent and participatory.

Centre for Policy Research is an independent and non-partisan research institute and think tank. Its main objectives are to provide thought leadership and creative solutions to address pressing intellectual and policy issues. PRS is currently incubated at Centre for Policy Research.
