## About the Indian School of Business

The Indian School of Business (ISB) is a premier management institution established in 2001. In a short span of nine years, the ISB has successfully pioneered several new trends in management education in India, and has established itself as a leading B-school across the world. The ISB has a strong pool of research-oriented resident faculty and invites high calibre international faculty from reputed B-schools to teach in its Post Graduate Programme in Management/ Executive Education Programmes as well as to participate in collaborative research with the resident faculty. The ISB was ranked 12 in Global B-school Rankings 2010 by *Financial Times*, London.

As part of ISB's focus on research-based management education, the ISB has established specialist institutes to promote research and offer specialisations in key verticals at its upcoming campus in Mohali. The **Bharti Institute of Public Policy** is one such institute which will promote quality research and offer full-time courses in the area of Public Policy. This institute aims at creating a talent pool in this area and to provide meaningful insights and facilitate the policy-making process in various strategic areas. The India Leadership Workshop for MLAs is being offered under the aegis of this institute. [www.isb.edu](http://www.isb.edu)

## About PRS Legislative Research

PRS Legislative Research is the first research institution of its kind in India. More than 250 Members of Parliament from across 22 political parties reach out to PRS for inputs on policy and legislation. PRS has recently begun work with MLAs of various states by providing inputs on policy and legislation on issues being debated in legislatures. These inputs are designed to help MLAs make more informed decisions while addressing key policy challenges in their states.

Over the last three years, PRS has trained over 1000 journalists and civil society representatives across the country .

PRS provides a comprehensive and credible resource base to access Parliament data, background information and analysis of key issues. PRS has a team of highly trained professionals dedicated to making legislatures better informed, more transparent and participatory.

## About Centre for Policy Research

The Centre for Policy Research (CPR) is an independent and non-partisan research institute and think-tank. Its main objectives are to provide thought leadership and creative solutions to address pressing intellectual and policy issues. PRS is currently incubated at the Centre for Policy Research.
