

# THE OPPORTUNITY AND CHALLENGE OF LEADING A BILLION-PLUS NATION

## India Leadership Workshop

An exclusive leadership initiative for MLAs

Did you get into politics to make a positive impact on the lives of people?

Do you feel constrained in being able to drive a progressive agenda for the people?

Are you keen to rise as a leader who will transform India?

If you are an MLA who wants to make a greater impact, take on bigger challenges, and rise to the next level of leadership, then the India Leadership Workshop is for you.

The India Leadership Workshop is a prestigious programme, designed for the best and the brightest of India's MLAs.

**Dates: September 04 - 07, 2011**

**Venue: Indian School of Business, Gachibowli, Hyderabad**

This is a highly competitive programme and participation will be limited to a select group of MLAs from across states. Interested participants are encouraged to confirm their participation at the earliest\*.

**\*Last date for registration: August 20, 2011**

## Who should attend the programme

The India Leadership Workshop is for MLAs who want to be more effective in their work and rise up to positions of greater influence.

This is for leaders with an open mind who want to imbibe new ways of working and building professional networks with progressive MLAs across states.

This is for those MLAs who are driven to achieve results, and see themselves as the persons who will change India for the better.

The programme is for today's leaders who want to rise above their peers, and to be ahead on the knowledge curve.

## The Programme

### *Understanding your role*

If you need to be effective in your role, then it is important to know what your role really is.

### *Leveraging your resources*

How can you derive the maximum benefit from the resources that you have? How do you make them work for you? A key element of the curriculum will be the effective management of resources: time, people and the media.

### *Gaining insights into policy making*

What is your role as a policy maker? How can you shape the future of the state by making policies that work for the people?

### *Engaging with stakeholders*

How can you work with the bureaucracy to make sure the various development schemes are being uniformly implemented?

What are the tools you need to understand your state budget?

How can you determine the funds available for your constituency?

## Faculty

The unique, first-of-its-kind programme will bring together distinguished faculty who have been trained in world-class institutions such as Harvard, IITs and IIMs.

The programme will use interactive learning tools to engage the participants in real-life situations.

## Programme dates

The programme will commence on September 04, 2011 at the ISB campus and conclude on September 07, 2011.

## Programme fee

This exclusive workshop is being offered free of cost to MLAs.

Participants will be paid a consolidated travel grant of Rs 10,000 on submission of their tickets, to cover their travel and other incidental expenses incurred for attending the programme.

## Registration

## About the Indian School of Business

The Indian School of Business (ISB) is a premier management institution established in 2001. In a short span of ten years, the ISB has successfully pioneered several new trends in management education in India, and has established itself as a leading B-school across the world. The ISB has a strong pool of research-oriented resident faculty and invites high calibre international faculty from reputed B-schools to teach in its Post Graduate Programme in Management/ Executive Education Programmes as well as to participate in collaborative research with the resident faculty. In 2008, the ISB became the youngest institution to be ranked among the Top 20, in the Global B-school Rankings by the *Financial Times, London*, and since then has been ranked consistently among the top B-schools globally.

As part of its focus on research-based management education, the ISB has established specialist institutes to promote research and offer specialisations in key verticals at its upcoming campus in Mohali. The **Bharti Institute of Public Policy** is one such institute which will promote quality research and offer full-time courses in the area of Public Policy. This institute aims at creating a talent pool in this area and to provide meaningful insights and facilitate the policy-making process in various strategic areas. The India Leadership Workshop for MLAs is being offered under the aegis of this institute.

## About PRS Legislative Research

PRS Legislative Research is the first research institution of its kind in India. More than 250 Members of Parliament from across 22 political parties reach out to PRS for inputs on policy and legislation. PRS has recently begun work with MLAs of various states by providing inputs on policy and legislation on issues being debated in legislatures. These inputs are designed to help MLAs make more informed decisions while addressing key policy challenges in their states.

Over the last three years, PRS has trained over 1000 journalists and civil society representatives across the country .

PRS provides a comprehensive and credible resource base to access Parliament data, background information and analysis of key issues. PRS has a team of highly trained professionals dedicated to making legislatures better informed, more transparent and participatory.

Centre for Policy Research is an independent and non- partisan research institute and think tank. Its main objectives are to provide thought leadership and creative solutions to address pressing intellectual and policy issues. PRS is currently incubated at Centre for Policy Research.
